What We Do

We assist people to develop skills, obtain paid employment, enabling a higher quality of life and encouraging independence and inclusion.

- We meet with people to explore their interests, abilities and career goals.
- We help prepare people for resume writing, workplace expectations and interview skills.
- Job Search
- Job Matching
- Job Coaching/on the Job Training
- Follow up and Job Maintenance

Our story...

Community Living Thunder Bay Employment Services has been providing employment opportunities since 1984. We pride ourselves on actively engaging people with the opportunities of paid employment within our Community. We currently have over 100 people that are employed within Thunder Bay. We look forward to increasing this number in the very near future.

Valued Proposition

Meaningful employment is just one of the ways that we inspire possibilities for people. Employment is the quickest and most direct route to inclusion. There are many valued propositions that come with hiring employees that experience disabilities.

- Reliability
- Dependability
- Motivation
- Employer Loyalty
- Low Turn Over Rate
- Low Absenteeism
- Enhanced Staff Morale
- Improved Customer Service
- Diversifying the Work Force

HIRING THROUGH US MAKES GOOD BUSINESS SENSE!!

Who We Are...

We are person-focused and a strength-based agency that provides Employment Services to people with intellectual disabilities.

We strive to make employment our priority and ensure that every person is connected, engaged and interested in the Employment and Services that are offered to them.

**If you are an employer
and are interested in
hiring one of our
employees, please
contact us!**

We welcome all new Employers interested in working with our Employment Team to provide equal opportunities for all people!

*"It seems to me that it is the
basic right of any human
being to work."*

- Eleanor Roosevelt

What is SEE?

- It is a service designed to assist students who have an intellectual disability find and maintain Summer Employment.
- The student is provided with Job Readiness Training and Orientation Training.
- A Job Coach is provided to all students in the program.

How the Summer Employment Experience Works....

- ◆ Students ages 16-29 years, in school and returning to school.
- ◆ Students with a disability who have a SIN #.
- ◆ 7 week paid summer job.
- ◆ 4 hours-25 hours a week for 7 weeks between July and August.
- ◆ Minimum wage or more.
